

Are You Ready to Help Your Family and Community? Don't be Scared... Be Prepared!

CERT Basic Training

September 19 & 26 from 8:00am-5:00pm

Beavercreek Twp. Fire Station 61, 2195 Dayton-Xenia Rd.

CERT will train you to be better prepared for emergencies and how to respond when your family, neighbors and community need you most. This class is a good refresher for those who have taken a CERT training in the past. There have been a few changes in the past years. The training includes hands on and getting around on the ground.

For information on CERT go to <http://www.fema.gov/community-emergency-response-teams>.

Go to www.beavercreekfire.org/Auxiliary for an application and to enroll for the classes.
